
Welcome from the Headteacher

At Loose Primary School we believe passionately in providing the correct blend of academic challenge, moral development and enrichment that allows for the holistic development of each child in our care. Your child is as special to us as they are to you and our aim is not to limit, but rather liberate, their potential.

We believe passionately in the importance of recognising every pupil as a unique individual, each with their own gifts and talents. Our work as teachers begins by building upon the numerous skills you have fostered in your child at home. It is our aim to develop a successful partnership with you so that your child is given every possible opportunity to flourish.

Choosing the right school for your child is one of the most important decisions any parent has to undertake.

The school offers a wide range of experiences based on a progressive and exciting curriculum and we are proud of the extensive range of extended services that we offer, including wrap around care from 7:30am until 6.00pm.

At Loose, we provide a foundation for life in a happy, high achieving school, where all individuals have high expectations of themselves, respect each other and strive to excel. We are a school to which the whole school community; children, staff, parents and governors are proud to belong.

Simply, we hope that both the children of this school and their parents will come to regard the years spent here to have been enjoyable, valuable, purposeful and productive.

We hope you will find the information in this prospectus helpful. However, it is impossible to convey the friendly, caring atmosphere of the school or the commitment and enthusiasm of the staff. The only way is to see for yourself. Do not hesitate to make an appointment to look around the school.

You will be very welcome.

Best wishes,

Sarah Holman - Headteacher

With trust, *we lead*

We strive for Loose Primary School to be a safe and secure place filled with creativity, curiosity & leadership.

Our children are nurtured to become resilient independent thinkers, adept at problem solving and young learners who relish the challenges that school provides.

With pride, *we act*

We are relentless in our pursuit of excellence to ensure that every one of our children at Loose Primary School gets the very best start in life.

Teaching & Learning is personalised to the needs of every learner and children are encouraged to take pride in the way they look, act and learn in school.

Our children are supported to take control of their learning, making it more likely to achieve their own personal excellence.

With respect, *we serve*

We recognise the importance of a strong partnership with parents and respect the need for parents to be fully informed about their child's progress.

We aim to provide enough information for parents to effectively support at home so that our learners' progress truly is limitless.

Our children hold strong values and are taught to respect each other throughout their time at Loose Primary School. This serves them well as they move on to new challenges at local secondary and grammar schools.

With compassion, *we care*

We are a friendly, supportive and inspirational learning community where every child is seen as special and unique.

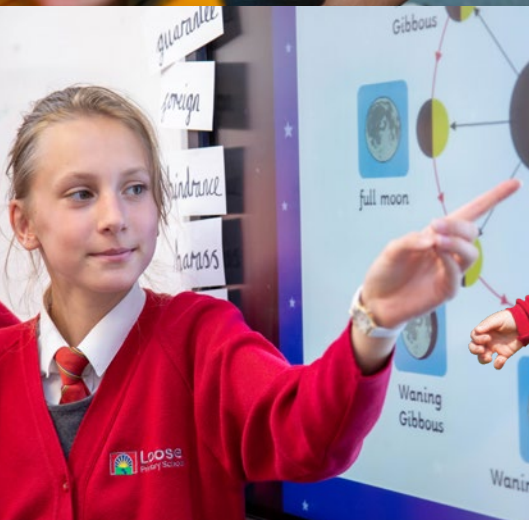

Our staff are highly skilled in offering effective care, guidance and support so that our children enjoy school, make good progress and experience success.

We place the highest significance on caring at Loose Primary School and work closely with parents to ensure that our youngest learners are settled into school life in the least stressful way possible.

Starting school can be an extremely anxious time for children and parents and we work hard to ensure that this is as positive an experience as possible. We conduct pre-school visits for all our new children and meeting with each family to really get to know every child. We also hold welcome meetings for parents, organise a series of taster sessions for the children in the summer and have an induction period for the children in September. Please do not hesitate to discuss this further with us should you wish.

With determination, *we excel*

*We are determined to
secure outstanding provision
for every single child at
Loose Primary School.*

Our curriculum is relevant and engaging and children are taught to take ownership over their own learning. We offer an extensive range of learning experiences and celebrate success at every opportunity.

Our children are determined to excel and all staff have the highest of expectations for every child. Children are inspired to develop a true love of learning and a strong sense of purpose in all they do. Most importantly, they are encouraged to achieve this through genuine happiness at school!
