

Kit List/Further Information

Sayers Croft is an outdoor activity centre. Children may get wet and muddy and will need items to protect them from the rain (waterproof clothing) and spare items in case they do get wet.

We would recommend bringing multiple amounts of clothing, old shoes, socks and a black sack to throw all their wet items into before coming home!

Main Items: (all named please)

Plenty of old clothing – t-shirts, sweatshirts/fleeces/hoodies, joggers/jeans/leggings (at least two of everything)

Socks – lots of pairs in case of wet feet

Underwear

Pyjamas/Nightdress (dressing gown personal choice)

A towel

Soap/Flannel/Toothbrush/Brush/Comb

Walking boots/old trainers (both would be great)

Waterproof coat (and trousers if possible)

Indoor footwear (i.e. slippers)

Wellington boots (ideally tall ones for stream walking)

Other items:

Pocket money in a named purse/wallet- £5 maximum ideally in coins

Small game/reading book/activity book

Camera (including spare batteries)

Stamped and addressed post card

Pencils

Clipboard (if you have one)

Small rucksack

Empty, named water bottle

Black sack for dirty/wet clothes

Hat and sun block if sunny weather forecast!

No electronic items including mobile phones are allowed.

Raft Building Clothing:

Children need a completely separate set of clothing (trousers, jumper, t-shirt and trainers) for raft building. Children may get soaked on this activity and this set of clothing and shoes cannot be worn again for the remainder of the trip.
