Matters Arising

KS2 Toilet Refurbishment

At our last meeting the council agreed to look into refreshing the KS2 toilets by painting walls and doors, and replacing broken locks and missing doors. Mr Mazza agreed to speak to Mr Lacey regarding costings. Mrs Evenden reported that Mr Dayson-Scott had been in to the school and quoted a price of £1700 to carry out this job. The council then agreed to work towards raising money to carry this out. Many ideas were suggested, with the most popular two being:

- A Family Quiz
- Cake Sale

The council asked to take the choices back to their class to vote for the most popular.

Action: Mrs Furniss to issue each class with a voting form to be returned at the next meeting.

The council asked if they could be involved in the decision regarding the paint colour.

Next Meeting

The next school council meeting will take place on Wednesday 21st March at 2.45pm in The Study.
