

School Council Minutes

Wednesday 27 May 2018

Present:

Mr Mazza and Mrs Furniss

Yr 1 ~ Diamond, Moonstone, Sapphire

Yr 2 ~ Aquamarine, Turquoise, Tanzanite

Yr 4 ~ Emerald, Onyx, Ruby

Yr 5 ~ Amethyst, Sunstone, Topaz

Yr 6 ~ Peridot, Topaz, Zultanite

Absent:

Yr 3 ~ Jade, Coral, Amber (concert practice)

Brought Forward from the Previous Meeting:

Would it be possible to have new playground apparatus in KS2 playground?

Mr Mazza was due to meet with Mr Miles regarding this but Mr Miles has been busy organising sports day and Mr Mazza has arranged to meet with him after this event.

Action: Mr Mazza to report back at the next meeting.

Matters Arising

Behaviour in School ~ Pupil Opinion

Mr Mazza has discussed with SLT comments from the council that were raised re behaviour, in particular the behaviour ladder. He raised the issue, "should children all start at the top of the ladder". The only problem with this is that it focuses on negative behaviour with movement only going down and there would be too many steps to get to the bottom of the ladder.

Action: Mr Mazza will address behaviour management at the next staff development day for all staff to discuss.

Governors' Meeting ~ Wednesday 11th July

Mr Mazza asked for volunteers to speak at the Governors meeting about the achievements of the council over the past year. Those chosen must be prepared to address the governors, answer any questions and be prepared to come back after school to attend. Those chosen will be informed soon.

Action: Mrs Furniss to go over past minutes and draw up a list of achievements.

Action: Mr Mazza to arrange a meeting with the reps attending.

Fire / Lockdown Alarm

The council commented that the alarms for lockdown and fire are very similar. Mr Mazza replied that the school may sound the alarms more often so that everyone is familiar with them and so will be able to differentiate between them. KS1 commented that they can't always hear the klaxon that is sounded. Mr Mazza replied that the school is looking into linking both the alarms in Brook in the near future.

Next/Last Meeting

The last meeting will take place on 11th July at 14:30 in the Training Room (old music room).

Mrs Furniss

School Council Secretary
