Matters Arising

House Names

The council discussed the way forward with deciding new house names. The council have assigned each year group a category and will be asked within their year group to choose an inspirational male and female from this category to champion as a house name contender. Then, during an assembly, each year will present their choices and the school will vote for their four favourites. These categories/year groups are:

Year 1	Literature
Year 2	Exploration
Year 3	Sport
Year 4	Science
Year 5	Artist
Year 6	Activist

Mr Mazza would like to present this idea during a Monday assembly (possibly 25th March) with some council reps. The reps will be:

KS1 Assembly: Chloe, Beau and Frazer and

KS2 Assembly: Ted, Mayson and Luke

Action: *Mr Mazza to discuss at the next staff briefing.*

Action: *Mr Mazza to meet with reps leading the assembly before 25th March*

Comic Relief 2019 - 15th March 2019

The red noses are selling very well and reps were reminded to continue to promote this, as well as non-uniform day. Mr Corcoran will be hosting some sporting fund raisers - news of this has been published in the newsletter.

Class Suggestions Boxes

Can we have more male teachers at the school?

Mr Mazza explained that the teachers that they employ depend on those that apply to come to Loose School, and then only the best teachers are chosen regardless of their gender.

Could we play more maths games in lessons?

Mr Mazza recommended that you speak to the class teacher who would be happy to comply.

Could we have more shade on the field in summer and could the Woodland Walk be more accessible - nettles to be strimmed and removed?

Action: *Referred to Mr Lacey for a response.*

Could the ASC go to the ICT Suite after school?

Action: *Emerald Class rep to raise the question with Mrs Cornell*

Next Meeting

The next school council meeting shall take place on **Wednesday 20th March** at 14:30 in the Training Room.

*Mrs Furniss
School Council Secretary*
