

School priorities for 2021-22

Develop a knowledge rich curriculum

- Speaking and listening, wellbeing and reading at the heart of the curriculum.
- Our learning is fabulous, inspiring and clear.
- Subject leaders promote their area of the curriculum.
- More opportunities for expressive arts and healthy living.

Professional development

- Our teachers lead their own learning to improve.
- All staff are supported to be the best they can be.
- Experienced teachers support our teaching and learning across the school by helping other teachers.
- We use coaching to support the improvement of our staff.

- We learn how to find and remember knowledge.
- We learn a balanced curriculum including languages, DT, Art, RE and Music.
- Our adults in the class help us learn and improve.
