**Visit to Houses of Parliament**

Mr Hogwood thanked the reps and their deputies for demonstrating excellent behaviour on our recent visit to the Houses of Parliament. The council reps agreed that it was an insightful and enjoyable day out and Mr Hogwood shared some positive feedback that he had received from parents.

**School Charity Appeal**

Mr Hogwood reminded the representatives that at the end of last term we asked the school to vote for the charity they would like to raise funds for. The council had collated some suggestions and it had been put to the vote. Mr Hogwood was pleased to be able to announce the results of the vote.

- 1st Place: Kent Air Ambulance
- 2nd Place: Heart of Kent Hospice
- 3rd Place: Giggle Doctors

Mr Hogwood then asked the council if they had any suggestions on how we could raise money for the Kent Air Ambulance. The event would need to involve the whole school and be organised by the school council. Their suggestions were:

- Sponsored Walk
- Crazy Hair Day
- Colour Run
- Treasure Hunt
- School Festival

Mr Hogwood agreed that these were all excellent suggestions for him to take forward to the staff.

### **School Council Assembly**

Mr Hogwood reminded the council representatives that there was an assembly about the School Council on Monday 14th March. Previously, this was going to be He thanked the representatives who had already prepared a small paragraph about themselves and their thoughts about why they wanted to represent their class and these were shared with the rest of the council. Mr Hogwood said that he would meet up with each of the year group representatives at the end of the week to rehearse their speech and to confirm with them which assembly they would be attending.

### **Date of Next Meeting**

Mr Hogwood needed to consult his diary for the date of the next meeting and this would be sent out in an email. He would like to invite Subject Leaders to some of our meetings to discuss what is happening in their subject and would like to start by inviting Mrs McNeillis to discuss and answer questions about Science.
