Dear Parents and Carers,

Re: Headteacher at Loose Primary School

As you will have read from Mrs Holman's letter sent earlier today, she has accepted a post in another school and so will be leaving Loose and Coppice Primary Partnership at the end of term 4. I'm sure you will all agree that Mrs Holman has been an incredible asset to both the school and the trust over her time with us. Starting as Deputy Head of the Junior school as it was then, Mrs Holman has seen the school first federate with the infant school before becoming a Primary school, then become an academy as part of a Multi Academy Trust. Working within the trust she was then seconded to support another school in the trust as Head of school to raise standards after which she returned as Headteacher of Loose. There she guided the school through some of the most turbulent and challenging times. We are incredibly grateful to the hard work and commitment that Mrs Holman has shown in her 14 years with us.

The Coppice Primary Partnership will now be beginning the recruitment process to find the next Headteacher for Loose Primary School. It goes without saying that we will be looking for someone who shares our beliefs and values and who wants to continue to drive Loose forward over the coming years. We will keep you updated throughout this process.

I hope you will find the time to congratulate Mrs Holman on her appointment and to thank her for everything she has done for the children not only in Loose Primary School but across the trust.

Yours sincerely,
