

Potential is *Limitless*

Loose
Primary School

We believe that where excellence exists everyday, potential is limitless.

At Loose Primary we passionately model this and are determined to provide an environment where all children flourish.

Loose Primary offers an experience which is enjoyable, purposeful and recognises everyone's talent and abilities. We do this through blending our curriculum design, academic challenge and the holistic development of each unique child. At Loose Primary, potential is limitless.

Our dedicated team build on the numerous qualities and skills which you have already fostered in your child at home. Our beautiful grounds, including a woodland walk and swimming pool, offer a safe and nurturing environment. Your children can explore, take risks and make the most of the opportunities we offer.

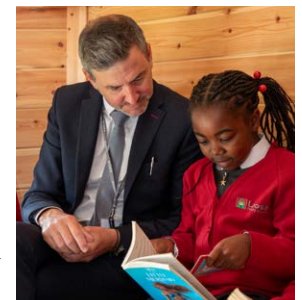

Welcome from the Headteacher

Children will leave Loose Primary as problem solvers, independent thinkers curious about the world and confident in themselves. Our hope is that by working together as a partnership of staff and parents, we will ensure your child has the best possible experience and will thrive where potential is limitless.

With a curriculum built on an ethic of excellence and which strives to go way beyond the National Curriculum and a team of highly skilled staff who deliver it, we really can offer something unique. In addition to this we also offer an extensive range of extended services and are open from 07:30am through to 6.00pm.

Our values build character and ensure our children have high expectations of themselves and others and can live compassionately as a citizen of the world. They are trusted to take on responsibilities and care for others, to respect each other, to be proud of themselves and their friends with a determination to excel.

Loose Primary is a school that everyone is proud to be a part of. We have a highly supportive governing body, a hugely pro-active PTA and parent council and strong support from our wider network of schools in the Coppice Partnership. We hope you join us on your journey of education with your child and like many, look back and feel proud to be part of us.

This prospectus will give you a little insight, but nothing beats a walk through the school to capture our unique, friendly and warm environment. Please do not hesitate to book a small tour and meet with our team so that you can see Loose Primary for yourself.

Warmest wishes,
Trevor North - Headteacher

With trust, *we lead*

We strive for Loose Primary School to be a safe and secure place filled with creativity, curiosity & leadership.

Our children are nurtured to become resilient independent thinkers, adept at problem solving and young learners who relish the challenges that school provides.

With pride, *we act*

We are relentless in our pursuit of excellence to ensure that every one of our children at Loose Primary School gets the very best start in life.

Teaching & Learning is personalised to the needs of every learner and children are encouraged to take pride in the way they look, act and learn in school.

Our children are supported to take control of their learning, making it more likely to achieve their own personal excellence.

With respect, *we serve*

We recognise the importance of a strong partnership with parents and respect the need for parents to be fully informed about their child's progress.

We aim to provide enough information for parents to effectively support at home so that our learners' progress truly is limitless.

Our children hold strong values and are taught to respect each other throughout their time at Loose Primary School. This serves them well as they move on to new challenges at local secondary and grammar schools.

With compassion, *we care*

We are a friendly, supportive and inspirational learning community where every child is seen as special and unique.

Starting school can be an extremely anxious time for children and parents and we work hard to ensure that this is as positive an experience as possible. From the very first day you join, our team offer the very highest level of care, guidance and support so that your children enjoy school, make great progress and excel.

We do everything we can to ensure a strong and settled start. This includes nursery visits, welcome meetings, stay and play, teddy bear picnics, a soft landing into school and we can also arrange for home visits to make the transition a great one.

Please do not hesitate to discuss this further with us should you wish.

With determination, *we excel*

*We are determined to secure outstanding provision
for every single child at Loose Primary School.*

Our curriculum is relevant and engaging and children are taught to take ownership over their own learning. We offer an extensive range of learning experiences and celebrate success at every opportunity.

Our children are determined to excel and all staff have the highest of expectations for every child. Children are inspired to develop a true love of learning and a strong sense of purpose in all they do. Most importantly, they are encouraged to achieve this through genuine happiness at school!

Potential
is *Limitless*

Quotes from our Children and Parents

*"We are absolutely delighted with the progress that our child
has made throughout her time at Loose"*

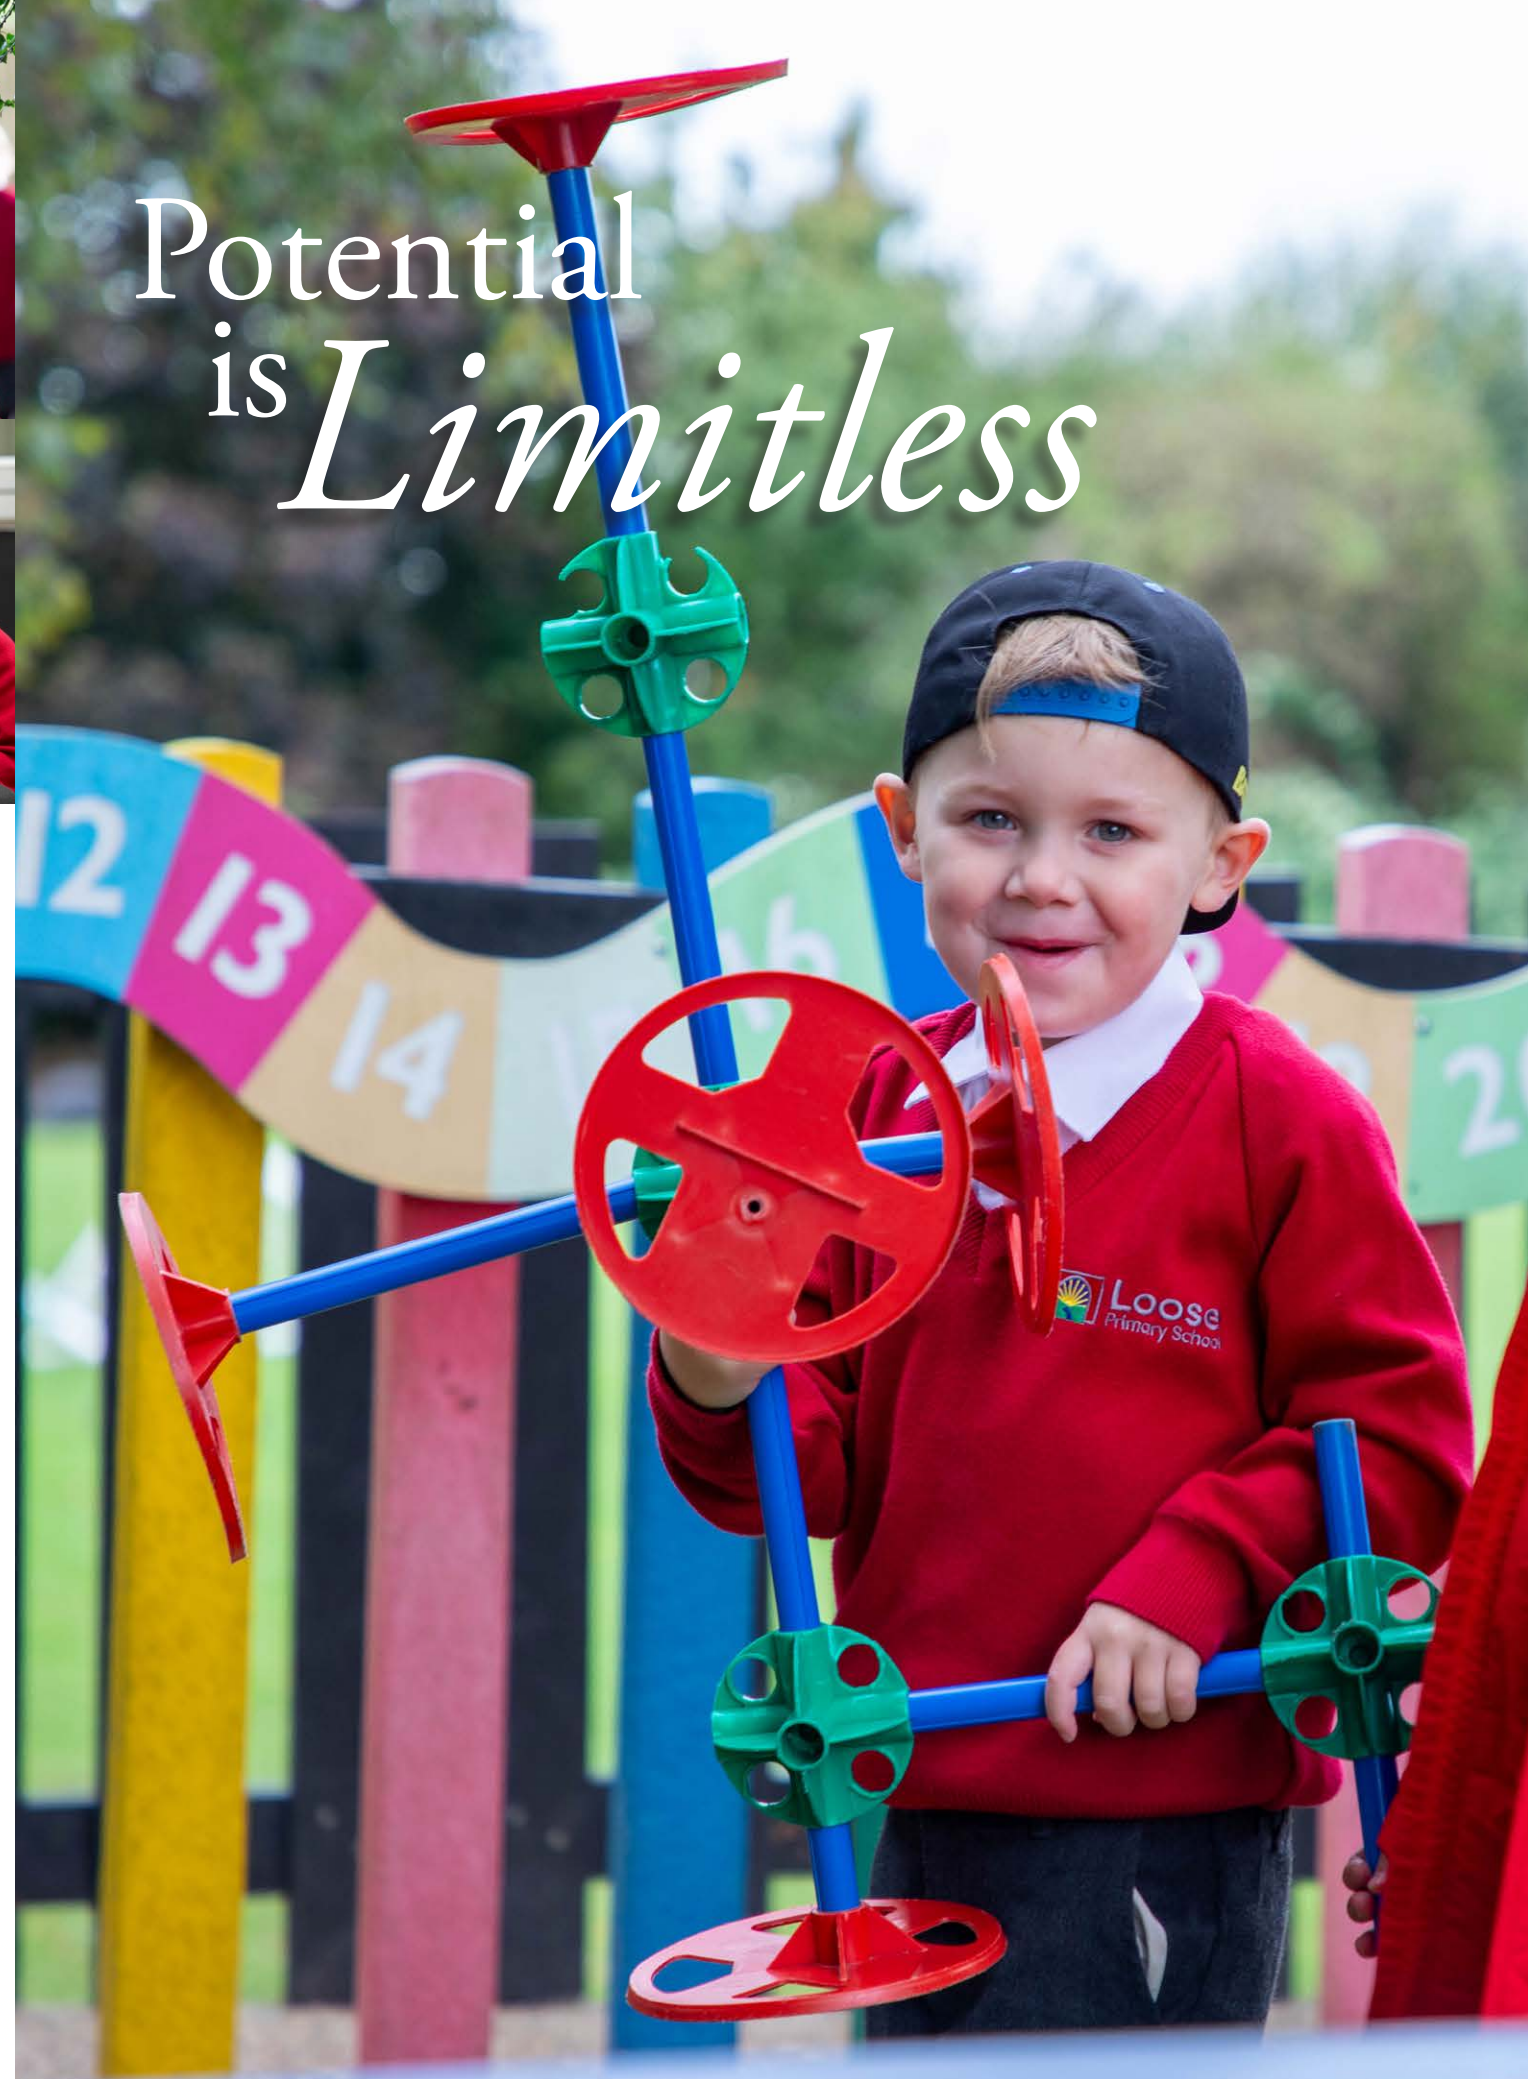

*"The staff have been tremendous in making sure that my child
is well settled and happy in school"*

*"Our lessons are much more fun, yes, they are so fun
I can't stop learning!"*

*"Loose Primary has transformed me into a hard-working,
confident girl. I would like to accomplish many things in the future
like going to university and getting a brilliant job...
I feel as though Loose Primary School has got me a step closer to that.
The memories and adventures I have will last with me forever."*
