

Year 5

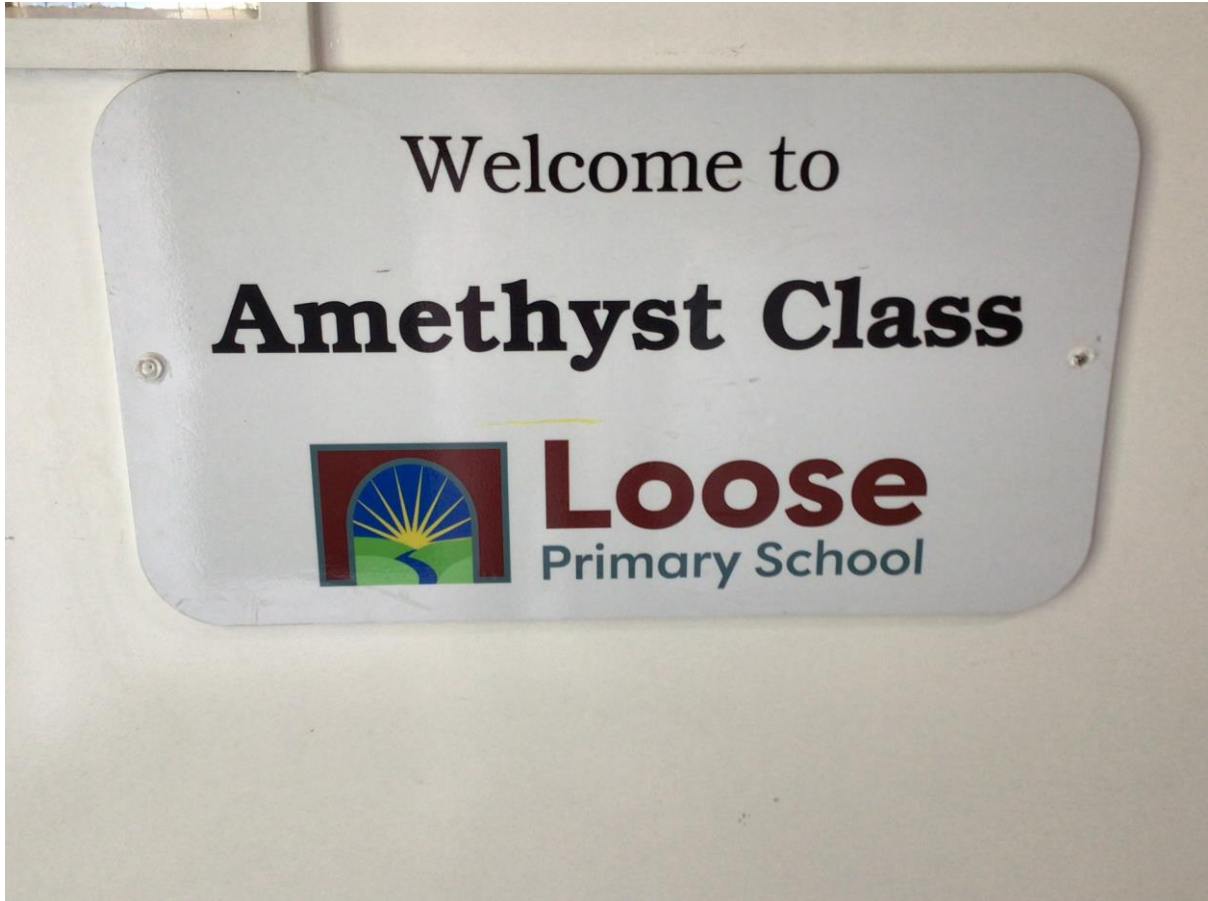

This year my teacher will be Miss Ali.

There might be other adults in the room
who can help me too.

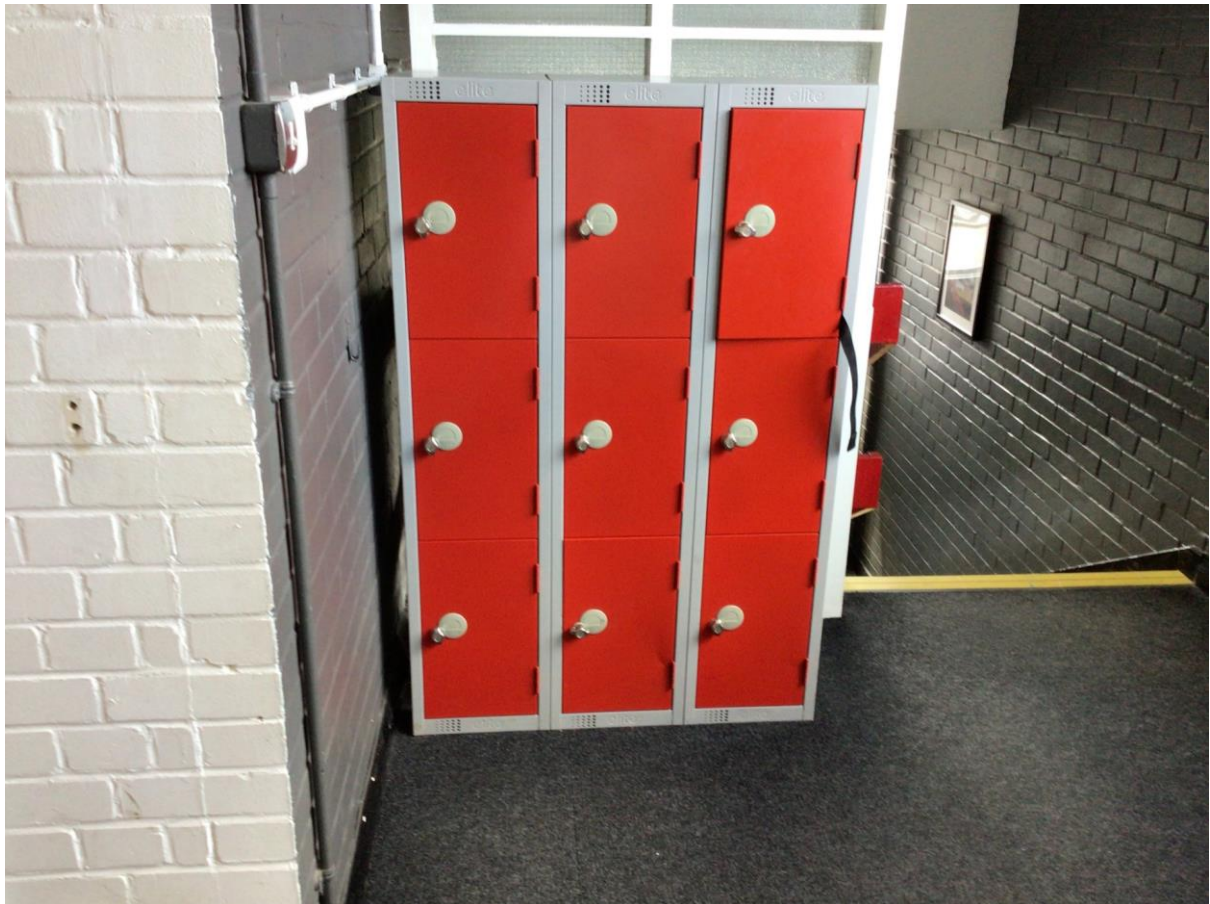

If I have worries, questions or good news. I
can talk to these adults.

Our classroom will be Amethyst.

At first, I might not know where things are
but I can ask or check labels.

I will have a locker instead of a peg. Miss Ali will tell me which locker is mine when we come back in September.

I will still use the same toilets and the same entrance.

I will learn topics such as:

Benin Kingdom

Aerial perspective drawings

Forces

I am a confident, independent learner but if I have questions or need more time, I can ask Miss Ali or other adults in the room.

My break time will be at 10:35 instead of 10:15. I will go to the same playground. Miss Ali will show me where to line up.
