

Dear Parents/Carers,

Smartwatches in School

We are writing to notify you that smartwatches are not permitted in school. This decision has been made to support our commitment to safeguarding and to ensure a safe and focused learning environment for all pupils.

Many smartwatches now come with advanced features such as cameras, messaging, and internet access. These functions can pose significant safeguarding risks as they could be used to take photos, or access the internet without supervision. In addition, smartwatches can cause distractions in class and disrupt learning.

If your child wears a smartwatch to school, we kindly ask that this stops with immediate effect.

Thank you for your understanding and support in keeping our school environment safe and respectful.

Best wishes,

Mrs J Johnson

Assistant Headteacher
