

Dear Parents and Carers,

I would like to take this opportunity to remind you about *Reading Plus*, the online reading platform to which all Key Stage 2 pupils at Loose are subscribed. Reading Plus supports children in developing reading fluency, comprehension and vocabulary. Please see the attached parent information sheet or the link below for more details.

<https://www.daisyeducationuk.com/customer-support/resources-hub/dreambox-reading-plus/resource/information-for-parents-carers-an-introduction-to-reading-plus-video>

As a school, we have observed a clear correlation between increased engagement with Reading Plus and accelerated progress in reading, demonstrating the positive impact this programme can have on pupils' reading development.

To encourage continued reading over the holiday period, your child will be bringing home a *Holiday Bingo* reading challenge. To further promote a love of reading, children may also choose to read their own books to complete some of the challenges as we value all reading experiences. If your child completes the challenge, please return it to school during the first week back in January so that we can acknowledge and celebrate their efforts.

We will also be running a *Reading Plus* competition in the new year to further encourage engagement with the platform.

Your child should already have their Reading Plus login details; however, if these have been misplaced, please do not hesitate to contact us before the holidays.

Thank you for your continued support in promoting reading at home.

Kind regards

Mrs Spelman
