Growing Together, Striving for Excellence.

Dear Parents,

Part of our mission is to be continually reflecting, developing and improving what we do. To be able to do this well, we need to be asking you for feedback on the things we are doing well and the things we need to be doing better.

It has come to the point of the year where we will be sending out our parent survey. We would really encourage you to respond, as the more feedback we have, the better we are able to act. We would also like as many of you as possible to complete the survey to give us the best information to act upon. To try and support this, as well as sending a link to the survey here, there will be opportunities to complete the survey at the upcoming Parent Consultation evenings.

Mr North and I would therefore be incredibly grateful if you would be able to take a few moments to complete the survey, which is completely anonymous. The survey should not take very long and is completely anonymous. The survey is on Microsoft Forms as it has been previously. You can use any device to complete it, be it computer, phone or tablet.

The link for the survey is here – [Loose Primary School Parent Survey – Fill out form](#)
It is open from today and will remain open for you to complete for three weeks.

Thank you for your ongoing support.

Yours sincerely,

Mark Chatley
