### Phonic Screening Check – Parent Meeting

Dear Parent/Carer

Our goal is for every child to enter Year Two with a strong and confident understanding of phonics. To help assess this progress, your child will take the statutory Phonics Screening Check in June.

To support this progress, I will be hosting a parent meeting on **Friday 20<sup>th</sup> March, at 2:30p.m.** The purpose of this meeting is to provide an in-depth explanation of the Phonics Screening Check and to outline the structured approach we take to teach phonics in school. During the session, I will demonstrate the systematic methods we use, ensuring you are equipped with the tools to support your child's learning at home using the same techniques we implement in the classroom.

We will also cover the correct pronunciation of each sound, and I will share practical activities and resources that you can use to enhance your child's reading at home. This meeting will also provide an opportunity for you to ask any questions and address any concerns you may have regarding the phonics process and the screening check.

We look forward to seeing you there and working together to ensure your child's continued progress in phonics. Please complete the form below if you can attend so we have an idea of numbers.
