Funding Delivery

The government provides early education funding over 38 weeks per year, which equates to 570 hours annually for children receiving the universal 15-hour entitlement, and 1,140 hours annually for those eligible for the 30-hour extended entitlement.

Instead of delivering these hours over 38 term-time weeks, we stretch the total annual funded hours across 48 weeks of the year which equates to either 12 hours per week for 15-hour entitlement, and 24 hours per week for the 30 hour extended entitlement.

The nursery operates for 48 weeks each year and closes for bank holidays, a week in April, a week in August and two weeks over Christmas. See calendar.

Families are not required to pay for any optional extras in order to take up their funded childcare place, and a separate sheet is available outlining optional charges for food, consumables, and additional activities.

Optional extras are not required to access funded childcare.

See separate sheet for optional food, consumables & activity charges.
