Dear Year Three Parents and Carers,

Welcome back to Term 5! We hope you all had a lovely Easter break. We have loved hearing all about the children's holiday but are also very impressed with how quickly the children have settled into school.

In guided reading this term, our core text is the inspiring autobiography by Floella Benjamin, 'Coming to England.' As always, we have plenty of copies of this in school for the children to read. We hope the children come home and tell you all about life in Trinidad. All children should have reading books and should ideally be reading for a short time each day. Don't forget to sign in their journals each time they read, so that the children can continue to progress through the reading challenge certificates.

We are using our knowledge from geography last term to write non-chronological reports all about volcanoes. The children have loved seeing a demonstration of a model volcano exploding this week!

Its Jade Class turn for swimming lessons on a Wednesday morning this term. PE in Coral and Amber Class will focus on athletics and we are lucky to have specialist sports coaches supporting alongside class teachers this term.

It was amazing to see the enthusiasm of all the children taking part in Beat Boxing and Break Dancing workshops this week. They clearly loved it and we spotted some wonderful talent and confident performers.

Please remember that if your child is going home with anyone different, then we must be informed via the school office or the blue home-school link books.

Have a lovely weekend!
Best wishes,
The Year Three Team
