WHAT HAVE WE LEARNT?

And just like that, another term comes to an end! What a fantastic term we have had in year 6. First and foremost, we want to congratulate your wonderful children on completing their SATs this term. They truly gave it everything they had, never faltering or wavering in their determination and resilience. It was a delight to share breakfast with the year 6's each morning and see so many smiling faces and positive attitudes throughout the week. Well done year 6, we are very proud of you!

We have also finished, edited and published our 'defeat the monster' narrative in writing over the last two weeks. The children were given the task of writing a narrative where 'good defeats evil', with a focus on setting descriptions, change in atmosphere, character actions, and dialogue that is purposeful and moves the story along. These narratives have really showcased some fantastic writing across the year group.

Sports Day also took place this term – and what a fantastic day it was. Year 6 modelled our school values throughout the morning on the field, with children cheering their team mates on and supporting those around them to succeed. A huge congratulations to Attenborough house for their victory!

We are turning our attention to the exciting lead-up to our Year 6 production of *Peter Pan*. You've likely heard your child talking about it at home, and we were so impressed by the bravery and enthusiasm shown during yesterday's auditions. Today, the children found out which roles they will be playing. We understand that some may feel disappointed if they didn't receive the part they were hoping for, and we really value your support in helping your child navigate those feelings with encouragement and positivity.

Lastly, a reminder that we will be going on our year 6 residential during the first week of term 6. The children – and staff – are really looking forward to the trip! If you have any last minute questions or queries, please do contact us via the school office.
