

June 2026

Dear Parents and Carers,

Following on from our previous letter to parents you will be aware of the changes to Free School Meal (FSM) eligibility from September 2026.

Your child is currently in receipt of FSM that were approved out of County and this eligibility transferred with them when they moved to Loose Primary School. From September this eligibility will expire and your child will no longer be automatically eligible.

You will need to reapply for your child's eligibility through Kent County Council. The quickest and easiest way to apply for free school meals is online using the link: <http://www.kent.gov.uk/education-and-children/schools/free-school-meals>

Alternatively the school can apply on your behalf, please complete the form by clicking [here](#).

If you have any questions, please contact the school office on 01622 743549

Kind regards

The School Office
