June 2026

Dear Parents/Carers,

We are very aware that transition from primary to secondary school can be a daunting prospect for many children. For this reason, our school will be taking part in the Maidstone Transition Programme in order to make that move from year 6 to 7 just that little bit easier.

The programme will start this term and will run until the end of year. By the end of July, we hope your child will feel more prepared to move on, having had the opportunity to learn about and practise some of the many skills/tasks expected at secondary school, such as personal organisation, meeting uniform expectations, changing rooms for lessons, writing at speed, reading a timetable and managing homework.

In addition to the activities at school, we will also be sending tips and activities home for you to complete with your children, which will further help them to prepare for year 7 and support you to feel more confident about sending them onto secondary school. We will start to send these tips from next week.

Should you have any questions, please do not hesitate to contact us.

Yours faithfully,

Mrs Johnson and the Year 6 team
