

What Parents Can Expect from Our Holiday Playscheme

Our Holiday Playscheme provides a fun, welcoming and active environment where children can enjoy their school holidays alongside their friends from Loose and other local schools. We offer a free-flowing programme that encourages children to make choices about how they spend their day, promoting independence, creativity and social interaction.

Our experienced staff team is committed to nurturing and supporting every child as an individual, helping them to feel safe, valued and included within our holiday community.

Children can take part in a range of activities throughout the day such as arts and crafts, team games, outdoor play, sports challenges and imaginative play opportunities. We foster a friendly community atmosphere where children play, eat and spend time together, building friendships and enjoying shared experiences. Children have access to a variety of spaces across the school site, including our field, Woodland area, playgrounds, swimming pool and indoor areas. As a result, the environment can be busy and energetic, with children moving between activities and friendship groups throughout the day.

While we strive to be as inclusive as possible and welcome children with a wide range of interests, abilities and needs, our playscheme operates as a group-based provision, with children sharing activities, spaces and experiences throughout the day. Families are encouraged to consider whether their child is likely to feel comfortable and thrive within a large, free-flowing environment.

We want every child attending our playscheme to have a positive, enjoyable and successful experience. While our staff are able to provide encouragement, care and reasonable support within the group environment, we are unable to offer dedicated one-to-one support, specialist provision or highly structured routines.

If your child has additional needs, would benefit from specific adaptations, or requires a level of support beyond that which can reasonably be provided within a group setting, we encourage you to contact us before booking. We would be delighted to discuss your child's individual needs and work in partnership with you to determine whether our play scheme is the most suitable and nurturing environment for them.

You can book your holiday club sessions by completing the form on our website under online office, extended services, holiday playscheme or alternatively if you would like to talk to a member of the team or have any questions regarding the holiday playscheme please email holiday.playscheme@loose-primary.kent.sch.uk or call us on 01622 743549 during school hours and 07429807938 during holidays.
