Headteacher News

It has been another really positive week at Loose, with lots happening across the school and plenty to be proud of.

As I continue to get to know our children, staff and families, I am increasingly struck by the expertise, care and commitment that exists across our school community. There is a real determination to do the very best for our children, while also being willing to reflect honestly on what we do and ask ourselves how we can make it even better.

That ambition is at the heart of our work at Loose.

Working Together to Improve

Today, we are hosting a Trust Quality Assurance Review at Loose. We have been joined by Headteachers, senior leaders from across the Trust and our Director of Education to lead an appreciative enquiry into how we use assessment and feedback to understand where our children are in their learning and, importantly, what we do next as a result.

This is a really valuable opportunity for us to reflect on our practice, celebrate what is working well and think carefully about where we can continue to grow. The focus is very closely connected to our work around Responsive Teaching and our ambition to ensure that learning truly lands for every child.

Our school mission is at the heart of this work:

“We care greatly and ensure the highest quality of learning and character development so that our pupils achieve well and become responsible global citizens.”

Working collaboratively with colleagues across the Trust gives us the opportunity to learn from one another, challenge our thinking and continue to strengthen the quality of education we provide for the children of Loose.

Pride in Who We Are

One of our school values is pride, and I want us to think carefully about what that means for every child at Loose.

We want our children to feel proud of who they are and of what makes them wonderfully unique. That includes their ethnicity, gender, religion, family, passions, interests, hobbies and the experiences that have shaped them. Every child should feel that they belong here and that their identity is valued and respected.

We are proud to welcome and celebrate every child and every family in our Loose community. Difference should never be something that a child feels they need to hide; it is something we should understand, respect and celebrate.

Any form of discriminatory behaviour is unacceptable at Loose. Where concerns arise, they will be addressed appropriately and with the seriousness they deserve. Every child deserves to feel safe, respected and proud to be themselves. At Loose, we want every child to know that Potential is Limitless.

Developing Excellence in Writing

We are also really excited to announce that we are close to finalising a whole-school approach to handwriting at Loose.

Mrs Payne and the rest of the team have worked extremely hard over recent weeks to develop a consistent, high-quality approach that will support children across the school. What makes this particularly exciting is that this is our approach, created by the expertise within our own school. It is not a scheme that we have purchased; it has been carefully developed and written specifically for the children of Loose.

I think this is a really exciting direction for us as a school. We have a huge amount of expertise within our staff team, and I want us to continue to harness that expertise to develop approaches that are genuinely right for our children and our context.

Handwriting is an important part of a child's development as a writer. We want our children to develop handwriting that is fluent, legible and increasingly automatic, allowing them to communicate their ideas effectively.

Crucially, when handwriting becomes automatic, children can direct more of their attention towards the composition of their writing — thinking about vocabulary, sentence construction, spelling and how they communicate their ideas to their audience. These are essential skills for successful writers and will become increasingly important as our children move through the school and towards secondary education.

We are really looking forward to launching our new approach with staff and then introducing it to our children very soon. This is another important step in our work towards Writing Excellence and our ambition to ensure that every child at Loose becomes a confident, skilled and articulate writer.

Developing Our Approach to Spelling

Next week, we turn our attention to spelling as part of our wider work towards Writing Excellence.

We will be working with staff to develop a consistent, high-quality approach to the teaching of spelling across the school. We want to ensure that our children develop the knowledge and strategies they need to spell accurately and confidently, while understanding how spelling supports them as writers.

This is another important part of our commitment to developing confident, skilled and articulate writers at Loose, and I am looking forward to working with staff as we continue to strengthen our approach.

KS2 Disco

We are really looking forward to our KS2 disco next week! It is always lovely to see our children enjoying themselves, spending time together and being part of our wider school community.

I am particularly looking forward to attending my first Loose KS2 disco. I'm sure there will be plenty of dancing, lots of laughter and hopefully some questionable dance moves from the adults too!

I'm looking forward to seeing everyone there.

A School We Can Be Proud Of

One of the things I am enjoying most about my first few weeks at Loose is discovering the many things that make our school special.

There is so much to be proud of: the care shown by our staff, the enthusiasm of our children, the expertise within our team and the commitment of our families and wider community.

Our ambition is not driven by a belief that we need to change everything. Quite the opposite. We should be proud of what we already achieve while continuing to reflect, learn and ask how we can become even better.

That is what we want our school to be about - celebrating our strengths, being honest about where we can grow and working together to give every child the very best opportunity to achieve and flourish.

Thank you, as always, for your continued support of our school.

Potential is Limitless.

Medical/Dental/Eye Appointments

Where possible all non-urgent medical, dental and optician appointments should be made outside of school hours or in the school holidays.

There are 178 days a year when children are not at school for non-urgent appointments.

We understand that hospital appointments may be during the school day. Copies of all appointment letters must be emailed into the school office for our files so the absence can be recorded as authorised.

Photos

On Wednesday 7th October and Thursday 8th October, Fizz photography are due to visit Loose Primary School for both class and individual photographs for years R through to 5 only. Year 6 will be due their photographs later on in the year prior to leaving Loose in the summer.

Due to having over 300 sibling groups within our school, we are not able to take sibling photographs within normal school hours. ***Fizz photography have kindly agreed to provide an early drop in sessions instead on Wednesday 7th October for parents to bring their children in for sibling photos themselves. This session will run from 7.15am until 8.30am in Brook Hall and will be on a first come, first serve basis. If the demand is too high we may need to turn parents away as the sessions can't overrun as children need to get to school on time and the photographers need to set up to start taking class & individual photos at 9am.***

For safeguarding reasons, once your children's pictures have been taken you must leave the school site via the main gates and return at the usual time for the start of the school day. This is because there will be breakfast club children on site. If your child is going to breakfast club after their photo has been taken then please drop them off as normal afterwards.

Harvest Donations - Vine Church Food Bank

This year we will be collecting our Harvest donations for the Vine Church. Tables will be out on the KS1 playground and in the quiet area on the KS2 playground on **Monday 12th & Tuesday 13th October** for both drop off and collection.

All your generous donations will be distributed by the Vine to local families in need. The church runs a food bank from their building on Northumberland Road, Shepway. They have been supporting local families when times are tough for over 20 years. We particularly need the following items,

Pasta, rice, pasta Sauce, instant noodles (ie Supernoodles/ pot noodle), sugar, cereal, baked beans, soup, tinned spaghetti, tinned fish, tinned meat, tinned veg, tinned tomatoes, tinned fruit, custard, rice pudding, spreads ie jam, honey, peanut butter, long life milk, Tea / coffee, biscuits, toiletries (Shampoo, shower gel, tooth paste, toilet roll)

Afterwards, weather permitting, we'll head out for a gentle walk through the beautiful **Loose Valley**.
