Pretend you are Sunny and you are getting ready to go on holiday. What will you pack in your suitcase? Do you need clothes for hot or cold weather or for both?

Play the game - 'I'm going on holiday and in my suitcase I'm going to pack...' Each person repeats the list and then chooses a new item and so on. How many items did you remember? The Year 2 teachers played and we managed to remember 7 items, quite good but we bet you can do better!

You could also play 'Kim's game' but swap the tray for a suitcase...watch this link if you need reminding of how to play - <https://www.youtube.com/watch?v=tan5j6KGaS8>

Using the link below have a go at carving a piece of soap (with adult guidance) perhaps you can carve something related to our Meerkat text?
