

Meeting Minutes

Time and date of the meeting:
Friday 21st January 2022

Eco-Committee members present:

All present

Eco-Committee members not present:

What was discussed?

- 'Plant a tree for the Jubilee' was discussed and Mrs Holman's feedback on our ideas. Mrs Holman loved the idea. She thought we might be able to use a website for free trees. Also wondered if one tree per class would amount to too many. Maybe one per year group? Would be a good idea to speak to Mr Todd regarding tree types and space available. Eco council felt they would really like a small tree per class that could be called Emerald Tree or Sunstone Tree etc.
- Loose Amenities Association - follow up visit to the Loose Valley to check on the saplings that were planted by the eco council last year.
- Missing or broken badges need replacing. Ten needed.
- We ordered bird houses and bug hotels from Morrisons for the garden areas.
- Traffic wardens to start up again now conditions are safer - Year 6 to start.
- Keep Britain Tidy Campaign for the Spring (25th March – 10th April) – would we like to do a community litter pick?
- Do a school litter pick next meeting.
- Articles for the newsletter on environmental themes – who would like to write one? Lots of offers!
- Shelley to be with Emily in Sunstone to complete eco duties.

- Chosen eco reps to talk to Mr Todd and go back to Mrs Holman regarding tree numbers.
- Organise contact with LAA to look at a visit and further tree planting.
- Mrs Way to order new eco badges.
- Mrs Way to contact Loose Parish Council re litter pick.
- Need to check with Mr Johnson if these have come in yet.
- Office to contact parents and Mrs Way to ask Mrs Smith if she would mind escorting traffic wardens on their duties.
- Next meeting will be a whole school litter pick – all reps welcome.
- Darcy from Sunstone and Mimi from Ruby are to write articles and hand to Mrs Way.
- Emily to report back on adventures with Shelley – add to Twitter if poss.

When and where is the next meeting?

The Quiet Area on Friday 4th February
2:40 - 3:15 pm for our school litter pick. (Bring coats.)
