

# Meeting Minutes

Time and date of the meeting:  
Friday 11<sup>th</sup> March 2022

Eco-Committee members present:

All present

Eco-Committee members not present:

## What was discussed?

- New badges given out to eco reps who had lost their badges or their badges had broken.
- Arranged date for the litter pick at King George V playing field to coincide with the Keep Britain Tidy campaign: 'Great British Spring Clean'. 25<sup>th</sup> March 1:45 – 3:00pm – main reps only to attend this time. LoveLoose-HateLitter campaigners Mrs Luckhurst and Mr Lack to attend. Need to check this does not clash with Loose Gets Lively!
- Traffic warden duties discussed as all year groups are taking part. Year 6 – year 1. Eco reps that had completed their duty reported that they had given out parking tickets mainly for inconsiderate parking such as parking over a resident's drive. Most parents were approachable and did rectify their parking issue when spoken to or handed a ticket. Parking on the zigzag lines outside the school was unfortunately witnessed by some reps which of course is highly dangerous for children crossing to get to school.
- Shelley to be with Bailey in Emerald to complete eco duties.

## Next steps:

- Office to inform parents of the reps taking part in the external litter pick.
- Mrs Way to ensure all main reps can attend on date of litter pick.
- Advertise the Great British Spring Clean in the newsletter to encourage other children to take part in their own time if they can.
- Eco traffic wardens to continue, working down through the year groups and continue to write reports on parking for the newsletter.

When and where is the next meeting?

25<sup>th</sup> March 1:45 meet in the meeting room for the Great British Spring Clean Litter Pick at the King George v playing fields. Main reps only.
