

# Meeting Minutes

Time and date of the meeting:  
Friday 6<sup>th</sup> May 2022

Eco-Committee members present:

All present

Eco-Committee members not present:

## What was discussed?

- Thanks to all reps who took part in the Great British Spring Clean – all their hard work litter picking the George V Playing Field was very much appreciated by all.
- Mrs Way has been in touch with Loose Amenities Association to organise a visit early next term to check on the saplings planted. They did say that they do not want to plant any more trees just yet, but will let us know if this changes.
- Morrison's eco order has come in. There are lots of bird boxes and insect hotels to put up around the school. There are also lots of flower seeds to plant. We looked at these and discussed where they could be located.
- Thursday 19<sup>th</sup> May is OUTDOOR CLASSROOM DAY. Reps were asked about which classes went outside for more of their learning for last year's event and what activities they could do. Some reps said they would like to organise some of their class activities for the day or week.
- Discussed eco bunting idea for the Queen's Jubilee celebrations.
- Year 1 to be on eco traffic warden duties next week.
- Thanks to Fadeelah for having Shelley last time and doing eco jobs together. Shelley to be with Isaac in Diamond Class to complete eco duties.

## Next steps:

- Loose Parish Council were keen for us to do another litter pick in Brooks Field next term.
- Mrs Way to book a time to visit the valley.
- Chosen reps will accompany a caretaker to put up the bird boxes and bug hotels.
- Eco reps to tell their teacher and class about Outdoor Classroom Day. Mrs Way to attach the list of outdoor classroom ideas to the eco minutes for eco reps to share with their class or that reps can add further ideas to.
- Eco reps to be given sample bunting pieces to draw a design on, to gather ideas/create an example of what it could look like.
- Eco traffic wardens to continue with year 1 and children to write reports on parking for the newsletter.

When and where is the next meeting?  
Friday 13<sup>th</sup> May 2022
