

Meeting Minutes

Time and date of the meeting:

Friday 11th November 2022

(Previous meeting was a whole school litter pick)

Eco-Committee members present:

All class reps attended.

Eco-Committee members not present:

What was discussed?

- Thanked all reps for attending previous meeting which involved a whole school litter pick and filling 2 big sacks with litter.
- Last few eco badges were distributed.
- Reminded reps of our eco notice board in the KS2 lower cloakroom, on which we can place messages for the school and where the minutes of our meetings are displayed. It is also important to share these minutes sent to your class teachers with the class – please ask if you can do this.
- Asked reps to check classrooms for the following: green recycling bin, eco code displayed on classroom wall, class eco box for suggestions.
- Children that had already made their eco boxes showed them to the group.
- Shelley our eco turtle had spent the week with Lucy from Emerald class – they had been litter picking together in the park. Next child was chosen to take Shelley home – Dillon in Jade class.
- Would like reps to volunteer to write eco tips for the school newsletter.
- Next meeting, all boxes need to be ready and come prepared with your class ideas and suggestions for making our school greener.

Next steps:

- Eco reps to ask teachers to have time to share the eco minutes with their class.
- Return next week having checked classroom for the things listed.
- Bring all eco boxes to the next meeting with suggestions/ideas.
- Shelley to go home with Dillon for eco activities – see Twitter. Return after 1 week so that Shelley can go home with another rep (Hugo in Onyx class).
- Henry offered to write some eco tips for the newsletter – to pass to Mrs Way first.

When and where is the next meeting?

The training room on Friday 2nd December 2:45 - 3:15. pm
