

# The Giving Machine™

**THE EASIEST WAY YOU CAN RAISE MONEY FOR YOUR CHILDREN!**

## THE GIVING MACHINE

It is nearing that time when we start to think about the run up to Christmas and all the presents we need to buy! The good news is that when you sit at your computer buying all those gifts you could also be raising money with the PTA for the benefit of all the children.

We all have the ability to allow over 2000 companies to give money to our PTA - at no cost or effort to you.

It is easy to do:

1. Go to [www.thegivingmachine.co.uk](http://www.thegivingmachine.co.uk)
2. Register our school PTA as your preferred charity - Loose Primary School PTA
3. Continue through to the internet site / shop you want via their search bar and continue your shopping as planned.

Money will be automatically generated and sent to our PTA for the children - at **NO COST TO YOU**.

ALL the major supermarkets donate. Some as a one off payment others as a small percentage of your spend.

Many airlines also donate, as do chains like Best Western Hotels - all worth looking at when you start thinking about your holidays too!

Internet giants, Amazon and Ebay donate, favourite gift websites like Not on the High Street.com, and other huge internet companies will donate a % of the amount you spend - for **every** purchase! For example, Amazon donate 2.25% of the amount you spend every time - imagine if the families of all the children of the school used this, we would benefit hugely!

Other favourite shops include, Next, Sports Direct (one for the Running Community to consider!), WHSmith, White Stuff, John Lewis, Argos, Wiggle, Waterstones and so on.

It's not just 'high street' shops either, if you use the Trainline.com or plan on starting Weightwatchers or fancy treating yourself to a spa through Treatme Experiences, even Groupon - all these companies will give cash back to our PTA!

This will cost you **NOTHING** and the children will benefit. Please, please do access The Giving Machine before you do any more shopping and you will see that no fundraising could be easier!

Please make 'thegivingmachine.co.uk' your homepage today and help raise funds!

Thank you for your continued support.
