September 2021 Admissions Arrangements – Consultation Outcome

Each school within Coppice Primary Partnership held a public consultation for 6 weeks which proposed the following new criterion be added to the oversubscription criteria for the September 2021 Reception intake.

“Children of staff where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.”

This consultation ended on Monday 20th January and no responses have been received. The Trust will therefore go ahead with the proposal to add the additional criterion as detailed above.
