

# Meeting Minutes

## What was discussed:

### Time and date of the meeting:

Friday 13th February 2020 – 12:00 - 1:00 pm

### Eco-Committee members present:

KS2 class reps were in attendance.  
Mrs Makey

- Mrs Way presented the eco council with their mascot which is a large sea turtle as voted for by the council. A name was discussed to be voted on when the full council are together.
- Mrs Makey was welcomed to the meeting and it was explained that we wanted to discuss further some of the issues and suggestions that had arisen at the previous meeting:
- Wellie sale – Mrs Makey agreed this was a good idea and we could make the necessary plans.
- Newsletter top tip – also agreed and ideas for tips were shared. Decided we wanted to link this to our new mascot. Need to speak to Mrs Thomson re slotting this into the newsletter.
- Outdoor classroom day/week discussed. Date 21<sup>st</sup> May. Eco council want to ask the children to wear green for the first day of that week for a donation towards a wildlife charity. Mrs Makey said this would be ok and would suit the other arrangements made that week.
- Parent council have requested further eco traffic warden duties for the end of the day to limit parents sitting in their cars with the engines running. Eco council agreed this is a good idea but Mrs Way explained that staffing this at the end of the day is difficult.
- Food waste/recycling was discussed as this is something that could be improved in both dinner halls. Mrs Makey thought Mrs Dutch would be the best person to speak to regarding this.
- Mrs Makey finished the meeting by discussing another issue raised at parent council - the number of reps who have done the eco role previously. Children explained that a few had been chosen more than once but they had had to perform a speech setting out why they should be the class eco rep and then had been voted for by the class. It was felt that this seemed fair if that was the case. However, a few reps said their teacher had not allowed time for this and reps had been chosen more randomly.
