

July 2023

Dear Parents/Carers

Re: Term Dates for 2023/24

We have been looking at the term dates again for 2023/24 and have realised that term 6 end on a Tuesday, 23rd July 2024. We have considered a number of reasons which make these last two days sit awkwardly. First and foremost, the end of term is an emotional time and ending the transition on a Friday enables the children to close the week and move into the summer. It also enables families to take the summer holiday a little earlier than scheduled and provides the staff two full training days to prepare for the new academic year.

Following these considerations, we have therefore decided to move the 2 staff training days on the 3rd & 4th June and use these instead on the 22nd & 23rd July so we can finish for the academic year on Friday 19th July. We hope that you can see the rationale underpinning this change and are supportive of it.

We have amended our term dates on the website and have attached a revised version for you.

Yours sincerely

Trevor North
Headteacher
