

17th September 2020

Dear Parent / Carer,

Provision of Hot School Lunches

We are delighted to be able to advise you that from the end of September we will be able to provide the KS1 cohort with hot school lunches. Dates are as follows:

Year R will have hot lunches from Thursday 24th September (**week 3 on the enclosed menu**)

Year 1 and 2 will have hot lunches from Monday 28th September (**week 1 on the enclosed menu**)

Lunches will be served in Brook hall.

Should your child prefer to bring in a lunch from home on all or some of the days in the week, this is of course fine. Class teachers will advise the office of the number of hot meals required as part of the morning registration process. As KS1 falls under the government Universal School Free School Meal Scheme you will not be charged for any of these meals taken. A menu is enclosed for your perusal.

Should your child have a diagnosed dietary need and you haven't yet communicated this with the office, please do so urgently so a menu can be put in place for them. Please note that a personalised menu will only be actioned if your child has an intolerance or allergy which is confirmed by their paediatrician.

Our aim is to offer hot school lunches to both KS1 and KS2 as soon as Covid-restrictions allow. For now our KS2 children will continue to receive the cold lunch-bag options if they require this. Information regarding when this is likely to change will be communicated to you as soon as we can.

Yours Faithfully,

I Dutch
