

Loose
Primary School

SCHOOL IMPROVEMENT PLAN OVERVIEW

PRIORITY AREAS TO DEVELOP 2020-21

Quality of Education

- ◆ Our global curriculum will be exciting and help us to prepare for our future lives.
- ◆ After Lockdown 2020 we will be helped to 'bounce back' and any needs or gaps will be addressed.
- ◆ By reading regularly at home and at school, we shall challenge and enrich our vocabulary.
- ◆ We shall become masters of maths, by making connections and knowing our number facts.

Welfare

- ◆ We look after each other and will be aware of our emotions and those of others.
- ◆ Caring for each other is important in our school to promote happiness, positivity and well-being.

Leadership (including resources)

- ◆ We spend our money sensibly and all staff and children help Loose be an amazing school.
