The screenshot shows a web browser window with the URL `classroom.google.com/h`. The page title is "Join class". In the top right corner, there is a blue "Join" button, which is circled in red. Below the header, there is a large empty rectangular box. Underneath that, there is a section titled "Class code" with the instruction "Ask your teacher for the class code, then enter it here." and a text input field labeled "Class code". Below the input field, there is a section titled "To sign in with a class code" with two bullet points: "Use an authorised account" and "Use a class code with 5-7 letters or numbers, and no spaces or symbols". At the bottom of this section, there is a link: "If you have trouble joining the class, go to the [Help Centre article](#)". The Windows taskbar is visible at the bottom of the browser window, showing the search bar and various application icons.

## Step 10:

You will now have access to the work set by your child's class teacher.

The screenshot shows a web browser window with the URL `classroom.google.com/c/MTg4MTc1ODg4MjU1`. The page title is "Jade Year 3". The page has a header with a hamburger menu icon on the left and "Stream", "Classwork", and "People" tabs in the center. On the right side of the header, there is a grid icon and a profile icon. Below the header, there is a large green banner with an illustration of books and papers. Underneath the banner, there is an "Upcoming" section with the text "Woohoo, no work due in soon!" and a "View all" link. To the right of the "Upcoming" section, there is a "Share something with your class..." section with a profile icon and a text input field. Below the "Share" section, there is a "View class updates and connect with your class here" section with a calendar icon and the text "See when new assignments are posted". The Windows taskbar is visible at the bottom of the browser window, showing the search bar and various application icons.
