What was discussed?

- Thank you for so many of you attending last week's meeting for our litter pick – did a really good job.
- 'Outdoor Classroom Day' – Thursday 20th May and the week beginning 17th May. Thanks for returned forms from classes brought last week. Collated all the ideas on one sheet.
- Eco Day planning – last week we briefly agreed the outlines of this day. Mrs Holman would like us to support Loose Amenities who helped us plant the saplings in the valley. (Children had a lovely morning with Mr Johnson and Mrs Smith!) Proposed day is Friday 11th June. Discussed dress up ideas and prizes.
- Thanks to years 4 and 6 for their traffic warden duties! Especially for reports by Matilda and Lochlann. PSCo Brian attended year 6's trip today and answered lots of our questions.
- Discussed our concern about Loose children queueing for the gate in Lancet Lane by a queue of cars with running engines!! POLLUTION!
- Shelley the eco mascot – Daniel and Amelia have taken her for a week each. Who is next?
- Environmental tips – thanks to Izzy for hers.

- Will arrange another litter pick soon.
- Handed out ideas sheet for Outdoor Classroom Day – please give to teacher and enjoy getting outside next week.
- Decided on 4 themes for ECO dress up day: recycling, nature, endangered species or dressed all in green. Small prize for best costume in each class plus house points.
- Next week year 3 are on traffic warden duties.
- Does this problem require a strong message in the newsletter asking parents to turn off their engines in queueing traffic? Speak to Mrs Holman.
- William in year 3 to take Shelley for eco adventures next week.
- Mrs Way to pass Izzy's tips to Mrs Thomson. Matilda to write the next environmental tip for the newsletter.
- Next meeting bring your eco boxes please!

When and where is the next meeting?
Thursday 27th May at 2pm in the Woodland Walk.
