

# Meeting Minutes

## What was discussed?

Time and date of the meeting:  
Friday 1st October 2021

Eco-Committee members present:

All reps attended.

Eco-Committee members not present:

.

- Welcomed and congratulated the year 6 reps on being elected by their class. Badges distributed and put on.
- Discussed arrangements for meetings every two weeks and how the year sixes will collect and return the KS1 children before and after meetings.
- Shared the fantastic eco boxes that had been made by nearly all reps, apart from year 6.
- Gave out a new copy of our school Eco Code and discussed the details of it with the group. Explained that they would now need to do the same with their class.
- Gave out green bin recycling poster and discussed.
- Introduced Shelley (the sea turtle) our eco mascot. Explained how Shelley would be spending a week at each eco councillor's home, if they wished, in order to do eco activities. The idea being that reps would take Shelley to do things such as a litter pick or a gardening project or some recycling etc
- Bird feeders need refilling in the quad in KS2.
- Mrs Michaelas (an environmental advisor and Andreas's mum) will be attending next week's meeting to talk about bees and bee keeping.

## Next steps:

- Year sixes to make an eco-box for the classroom and bring to the next meeting.
- Take the eco code back to class. Discuss the eco code with your class or ask you're your teacher to do it. Then display it where your class can see it in the classroom. Take down any old ones.
- Show the recycling poster – could stick it to the class green recycling bin.
- Katie W from Moonstone Class volunteered to keep Shelley for the first week – please look after Shelley and send Mrs Way any photos of any eco projects undertaken with Shelley for Twitter.
- Emerald class will organise the bird feeders this week.
- Andreas's mum will be at the next meeting – be prepared to ask her questions about bees and bee keeping.

## When and where is the next meeting?

The Woodland Walk on Friday 15<sup>th</sup> November  
2:45 - 3:15. pm
