YEAR 4

Term 4 PSHE – Safety and the Changing Body

Dear Parent/Guardian,

As part of your child's education at Loose Primary School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. This gives the children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

We are writing to let you know that from the week commencing 15th April, the year 4 classes will be taking part in a series of lessons that will focus on the changing body aspect of the PSHE programme and will be covering objectives considering how their body has already changed and how it will continue to change during puberty. If you would like to see the content, please contact the school office.

These lessons are an essential part of the children's PSHE education and will be highly beneficial. All PSHE teaching takes place in a safe environment and is underpinned by our school ethos and values.

Yours sincerely,

The Year 4 Team
