22<sup>nd</sup> November 2024

Dear parents and carers,

We have had another jam-packed week up in year 6. The children have worked extremely hard to extend their knowledge of the curriculum this term. This week, we have started our DT topic. We are designing and building an automata toy that we will be sharing with our buddies closer to Christmas. Year 6 have learned how to use a saw safely and will shortly be extending this to the use of glue guns when it comes to building our final products.

We had an extremely engaging anti-bullying week. We were very proud of the children's fantastic news reports and how articulate and well thought out their scripts were. If you managed to pop to the exhibition on Friday, we hope you enjoyed seeing the wonderful things that Loose Primary got up to over the course of the week!

Don't forget, our PTA Christmas Fair is this Saturday (23<sup>rd</sup> November), so please do pop along to support if you are able to!

Year 6 Team
