Edition 6

17th January 2025

WHAT HAVE WE LEARNT?

We have had a fantastic start to term 3. The children have returned to school focused and ready to learn.

Maths – We have started our learning this term with multiplication and division, mainly long multiplication. The children have approached this tricky topic with determination and perseverance which has allowed them to begin to build a strong understanding.

Challenge – 145×42

Literacy – This term in Literacy we have started to look at dialogue and punctuating speech correctly. The children have written beautiful dialogues based on 'Rock, paper, Scissors' and have demonstrated a secure understanding of the rules of speech punctuation.

Challenge- What punctuation is needed to punctuate speech correctly.

History - In History we have been learning all about the changes to civil rights that occurred in Britain. The children showed a great level of maturity while exploring concepts around discrimination and why everyone should be entitled to fair and equal treatment.

REMINDERS

- Please ensure contact books are in school every day.
- Also, PE kits need to be in school on all PE days.
